Why Found it – Run it – Lead it ?

FOUND IT

The training course was dedicated to youth workers from different youth centres, youth organization, NGO s , youth leaders - the potential creators of their own youth organization.

RUN IT

The main topic of project was youth work in youth centres and youth organizations, NGO´s, how to lead a youth centre, how to run a youth centre, to get inspiration, how to develop activities, which methods to use , which forms,how to include to their activities the European and national priorities.

LEAD IT

How to lead youth leaders and volunteers to be active on this field, to create own non formal group , association, organization, how and where to find sources and opportunity to apply for projects. To promote young people's active citizenship in general and their European citizenship and to contribute to developing the quality of support systems for youth activities and the capabilities of civil society organizations in the youth field, how to support creativity and entrepreneurship of young people.

Aims and objectives

To improve the quality of our work
(Youth Centers and Youth Associations)
in favour of young people living in our context.

- to share reflections on **WHAT** we are doing and **HOW** (methods) we are doing what we are doing in our daily work
 - to put in common our ideas and vision about the concept of **QUALITY CRITERIA** in the **MANAGEMENT** of our Centers/Associations

1.to compare and understand better which is the real educational/social impact of our work at local level to reflect on: “What guide our educational action?”

- VALUES – REFERENCE POINTS – PRINCIPLES**
 - to analyze and put in common Strategy about **MOTIVATION**: how to generate/increase it? (motivation at different levels: personal, in my organization, in my staff/work group, target)
 - to acquire new tools about Management of Youth Centres and Youth Associations
